

JACK AND PAULA CURTIS  
QUALITY HORSEMANSHIP

# Clinic Participant Information

# THANKS FOR SIGNING UP FOR A CLINIC WITH JACK AND PAULA CURTIS!

To get the most out of our clinics it is important to come prepared. We recommend having watched some of our youtube videos at [www.youtube.com/@artofthehorseman](http://www.youtube.com/@artofthehorseman), and participated in one of our online courses. This can make a big difference in what you will get out of the clinic.

It is also helpful to have an idea of what sorts of things you would like to work on at the clinic, making a list beforehand can be helpful so that during the Q+A we are able to address your specific questions.

# Clinic Check-In:

Check-in occurs ½ hour before the start of the clinic. Usually between 8:00-8:30 on the first scheduled day of the clinic. Be sure to have your completed release and payment with you. ONLY Checks and Cash are accepted at the venue.

Make checks payable to Jack and Paula Curtis LLC

Arriving the day before the clinic? Contact the clinic organizer for instructions.

## **Schedule:**

ALL TIMES ARE APPROXIMATE - Be around in case your group rides earlier. Plan to stay until 5 as often classes run later.

9:00 AM – 11:30/Noon AM Group A

12:00 PM – 1:00 Lunch? No guarantee, sometimes we work through lunch. We recommend eating when you can.

1:00 PM– 3:30/4:00 PM Group B

# Have Fun!

Plan ahead, be sure you have all that you need for both yourself and your horse, and bring it for the days you are staying at the clinic venue. Buckets, hay, grain, mucking tools, all groundwork and riding equipment etc...

- Riders: Be sure you have printed and signed the release forms and bring in with you for check-in. Auditing is included with your rider fee + 1 free auditor per participant.
- Spectators/Auditors: You are paying for the opportunity to witness and learn from those that are riding and participating. Please be respectful, and have a conversation away from the arena so as to avoid distracting other spectators or clinic participants. Spectating is \$25/day.
- Please be ready at the arena with your horse ready to go at your designated time.
- We recommend everyone bring a comfortable chair, there is not always seating at the venue.
- Bring a notebook and pen.
- Pets- Not all venues allow pets, be sure to check with the clinic host to see if it is o.k.
- Children- be sure they are quiet, respectful, and not a distraction.
- Usually, there are no concessions on the grounds so plan on bringing your own food and drink.
- No videoing is allowed. You may not use pictures without our consent.
- We realize that some people will have unique questions or concerns and we try to address these as best we can. If you have a special request or need, please contact Paula by email at [office@jackandpaulacurtis.com](mailto:office@jackandpaulacurtis.com) at least 1 Week Before the clinic date.

When in the arena often you will be helped individually and given a specific exercise or task to work on. You will then have a chance to work on the task as others are being helped. As you work on a given task unsupervised, Jack or Paula may give you feedback on how you are doing. If you are not getting feedback, assume you are on the right track! We recommend taking a break and letting your horse “soak on it” when they are doing well. At this point, you can watch what others are working on, and join back into the group.

Got a question?? Make it heard! We are not mind readers, don't be afraid to ask in the moment as you are working on a task. i.e. Don't wait until lunchtime or after the clinic. ;) We don't mind interruptions for questions or to ask for help.

We look forward to seeing you at the clinic!

Sincerely,

*Jack and Paula Curtis* 😊
